Edible Beans & Peas	0.50 – 2.00
Grasses, Turf & Forage	Consult Mfg
Rice	0.50 – 2.00
Sorghum	
Grain & Forage	0.50 – 2.00
Soybean	0.50 – 2.00
Vegetables	Consult Mfg
Wheat	0.50 – 2.00

NOTICE: There are no warranties extending beyond the description on the label hereof. The manufacturer, Advanced Biological Marketing, warrants this product to be as described on the label. The manufacturer's liability on this warranty is limited to return of the purchase price of this product. The buyer assumes all risks and liability resulting from the use of this product, whether used singly or in combination with other goods. The manufacturer neither assumes nor authorizes any person to assume for it any other liability with connection with the sale or use of this product. The United States Federal Seed Act specifies that treated seed must be colored to prevent it from entering the food or feedstuff markets, to avoid accidental consumption. Advanced Biological Marketing seed products should not be applied to crops after harvest that are intended for food, feed crops or grain.

1. Application equipment must be clean and free of previously used treatment residues before applying Advanced Biological Marketing colorant.
2. Shake well or agitate prior to use.
3. Always add colorants to water, not to seed treatment concentrate.
4. When mixing seed colorant with tank/mix partners; add 1/2 of the required amount of water, then add the seed colorant, mix for a total of 10 minutes, and then add the tank mix partners and the remaining water into the mix tank. Maintain constant mechanical and agitation throughout the entire mixing and treating process.
5. Always check compatibility of all components that will be in the treatment slurry prior to large scale mixing.
6. Accurate calibration of the application equipment and frequent of this calibration are advised to insure proper seed coverage.
7. Environmental conditions, such as temperature and humidity, have an effect on handling and during the drying of seed just after.

STORAGE & DISPOSAL

1. **PROHIBITIONS:** Do not contaminate water, food or feed by storage or disposal. Do not reuse this container.
2. **PESTICIDE DISPOSAL:** Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.
3. **CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by Federal, State and local authorities.
4. **GENERAL:** Do not contaminate water, food, or feed by storage or disposal. Do not reuse this container.
