

EnVigor

Seed Coating Polymer

NEUTRAL

An Organic-based, multi-functional Seed Coating Polymer

EnVigor – the next generation seed coating polymer, is both biodegradable and multi-functional. This environmentally friendly product has proven to be an effective dust-off control coating, as well as an efficient extender for seed inoculating biologicals. It's effective in protecting Rhizobia against harmful chemicals.

ADVANCED BIOLOGICAL MARKETING

P.O. Box 222 | Van Wert, OH 45891
USA | 877.617.2461 | ABM1st.com

NET CONTENTS: 2.5 GALLONS

DIRECTIONS FOR USE:

1. Shake well before use
2. Add seed treatment chemicals first, then EnVigor, and finally seed inoculating biologicals to give the biologicals the best protection.

SUGGESTED APPLICATION RATES:

Corn: 1.0 – 2.0 fl. oz. per 100 lbs of seed

Dry Beans: 0.5 – 1.0 fl. oz. per 100 lbs of seed

Soybeans: 0.75 – 1.0 fl. oz. per 100 lbs of seed

Please check with the manufacturer for the application rates on other crops.

The above application rates only serve as guidelines or starting points. For actual application rates, the users are encouraged to change according to seed size, seed moisture content, fungicides/insecticides, inoculants, and seed treating equipment. All above factors affect the amount of total slurry that is required to give your seeds the best coverage and therefore the application rate of EnVigor polymer.

CAUTION:

1. Contact with eyes may cause irritation. Flush with water immediately for at least 15 minutes. Get medical attention if irritation persists.
2. Avoid prolonged skin contact.

STORAGE AND HANDLING:

1. Keep from freezing.
2. Avoid contaminating the product. For unused material, keep the lid of the container tight after each use to avoid spoiling of the product due to its organic nature.

PLEASE READ CAREFULLY

CONDITIONS OF SALE AND LIMITED WARRANTY STATEMENT

As our sole express warranty, Advanced Biological Marketing warrants this product to conform to the label description, and to be reasonably fit for the purposes stated when used in accordance to the label directions. Liability on this warranty is limited to the return of the purchase price of this product. The buyer assumes all risks and liability resulting from the use of this product, whether used singly or in combination with other materials. Subject to applicable law, Advanced Biological Marketing does not make, nor does it authorize any agent or representative to make, warranty of fitness or merchantability, guarantee or representation, express or implied, concerning this product.
